

# CERTIFICATE

of conformity  
of the factory production control

No.: 0408-CPR-TA06161

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9<sup>th</sup> March 2011 ( the Construction Products Regulation or CPR), this certificate applies to the construction product

**Components for Steel structures**

| harmonised Standard    | execution class                                                                                                   | declaration method                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------|----------------------------------------------|
| EN 1090-1:2009+A1:2011 | Load bearing steel components<br>with corrosion protection<br>and structural design<br>up to EXC 4 acc. EN 1090-2 | 1, 2 and 3a<br>acc. Tab. A.1<br>of EN 1090-1 |

produced by or for

**Poço - Equipamentos Industriais S.A.**  
**Rua de Marrazes, Lote 32 ZICOFA**  
**2415-807 Leiria, PORTUGAL**

and produced in the manufacturing plant (s)

**Poço - Equipamentos Industriais S.A.**  
**Rua de Marrazes, Lote 32 ZICOFA**  
**2415-807 Leiria, PORTUGAL**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard (s)

**EN 1090-1:2009+A1:2011**

under system 2+ are applied and that

**the factory production control fulfills all the prescribed requirements  
set out above.**

This certificate was first issued on **18.04.2024** and will remain valid as long as the test methods and/or factory production control requirements included in the harmonized standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The next surveillance is due on **17.04.2027**.
